Inert Gas Oxygen Analyzer  
Exhaust Gas Boiler Monitoring  
Smoke Density Analyzer  
Oxygen Analyzer  
Nox Analyzer

### **BOILER REPAIR**

All types of boilers  
Re-tubing  
Tubes with extended heating  
surface  
Pressure testing

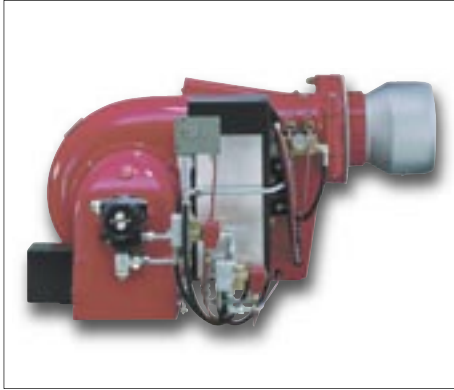

### **INERT GAS**

Repair & Service  
New burner cones

## **Introduction of SBS Global Parts**

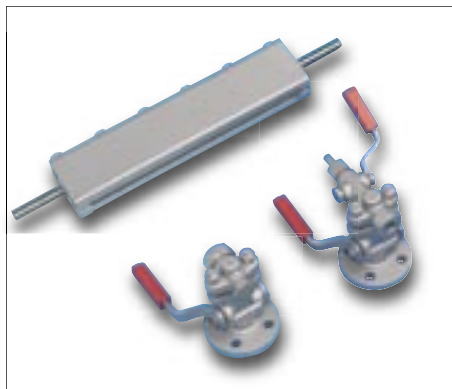

**SBS** primary goal continues to be customer satisfaction. We strive to build a partnership together with our customers by being trustworthy, open minded and reliable.

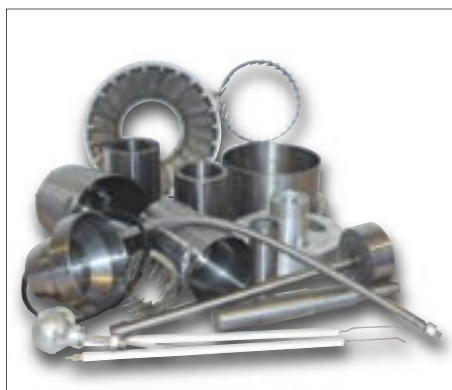

**SBS** is a significant actor within spare parts supply. For your convenience, we are able to supply spare parts for almost any make of boilers, burners and electrical components.

**SBS** is also offering repair and reconditioning for parts such as electronic print boards for burner control systems, and rotary cups including balancing.

**SBS** has extensive experience within upgrading of existing control panels with equipment of today's standard, as well as manufacturing of new control panels.

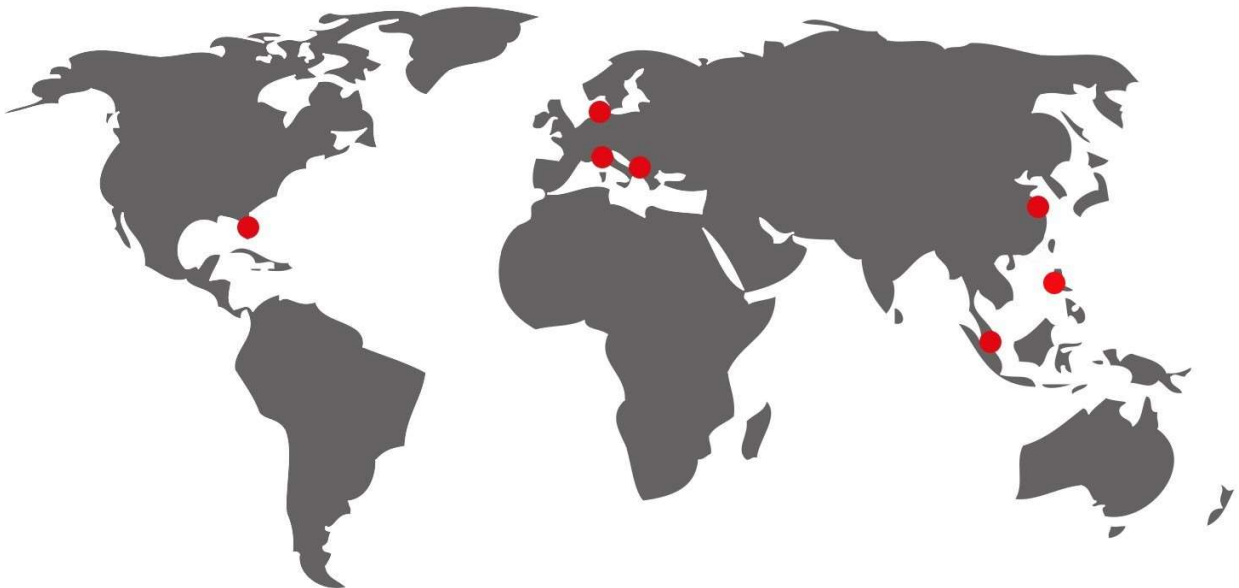

**SBS** stocks a wide range of spare parts throughout the world enabling each **SBS** service center to meet customers needs without any delay.
